### Microdermabrasion Facial

Microdermabrasion provides exfoliation for the outer layer of skin, removing dead skin cells and surface imperfections like fine lines and wrinkles.

\$89

### Express Facial

Ideal for those on the go. Cleansing, light exfoliation, gentle massaging, and a pore-refining mask followed with a light moisturizer.

\$75

### Obagi Blue Radiance Peel

Works for most skin types, colors and ages. The peel allows the esthetician to easily control how deep the peel affects your skin. It is designed to make your skin tighter, brighter and smoother after just one treatment.

\$150

### Dermaplane Facial

Dermaplaning is a safe and simple procedure that uses a surgical blade to gently exfoliate the tired skin cells of the epidermis, the surface layer of the skin, and rids the skin of fine villus hair (peach fuzz).
